Operating Permit Appendix D

Places of Public Assembly with an Occupant load of 100 or more persons

An Operating Permit is required for any place of public assembly that has an occupant load of at least 100 persons.

This Operating Permit is required to ensure that life safety and fire protection systems are maintained to the applicable requirements.

An inspection must be completed prior to the issuance of this type Operating Permit.

The inspection (and any tests and reports which may be required) must confirm (1) that all fire protection and life safety features are inspected and have current maintenance within the timeframes set by Section 901 of the *Fire Code of New York State*, (2) the existence and adequacy of fire safety plans and emergency preparedness, and (3) that the means of egress are properly maintained, that interior finishes are appropriate, and that occupancy calculations are correct.
