## INDEPENDENT AUDITOR'S REPORT

March 14, 2019

To the Board of Directors of the  
Binghamton Urban Renewal Agency

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Binghamton Urban Renewal Agency (the Agency), a blended component unit of the City of Binghamton, New York for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Agency as of December 31, 2018, and the respective changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Emphasis of Matter - Prior Period Financial Statements***

The financial statements of the Agency as of December 31, 2017 were audited by other auditors, whose report dated March 16, 2018, expressed an unmodified opinion on those statements.

### **Other Matters**

#### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated March 14, 2019 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion the effectiveness of the Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

### **MANAGEMENT'S DISCUSSION AND ANALYSIS (Unaudited)**

---

This section of the Binghamton Urban Renewal Agency (the Agency), annual financial report presents discussion and analysis of the Agency's financial performance during the fiscal year ending December 31, 2018. Please read it in conjunction with the Agency's financial statements and accompanying notes.

#### **GENERAL INFORMATION**

This Agency was incorporated in November 2015 to alleviate blight, provide for urban renewal, and stimulate sustainable community and economic redevelopment in designated brownfield areas of the City of Binghamton, New York.

#### **OVERVIEW OF THE FINANCIAL STATEMENTS**

This annual financial report consists of two parts: this section, the Management's Discussion and Analysis (MD&A) and the basic financial statements. The Agency is a self-supporting entity and follows business-type activity reporting; accordingly, the financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. Business-type activity statements offer short-term and long-term financial information about the activities and operations of the Agency. This annual report consists of the financial statements and notes to those statements. The Statements of Net Position, Statements of Revenue, Expenses and Change in Net Position, the Statements of Cash Flows and related notes provide a detailed look at the specific financial activities of the Agency and generally provide an indication of the Agency's financial health. The Statements of Net Position include all of the Agency's assets and liabilities, using the accrual basis of accounting. The Statements of Revenue, Expenses and Change in Net Position report all of the revenues and expenses during the time period indicated. The Statements of Cash Flows report the cash provided and used by operating activities, as well as other cash sources such as investment income and cash payments for debt.

#### **FINANCIAL HIGHLIGHTS**

- The Agency's total net position at December 31, 2018 is \$469,864 and at December 31, 2017 is \$464,439.
- Total current assets at December 31, 2018 are \$30,432 and at December 31, 2017 are \$25,007. In 2018 it is comprised of cash and cash equivalents.
- The Agency had no current liabilities at December 31, 2018 and December 31, 2017.
- Operating revenues at December 31, 2017 were \$87,617 as a result of grant income from the City of Binghamton as well as rental income from the 7 Hawley Street parking lot.
- Operating revenues at December 31, 2018 were \$69,735 due to decreased rental income as a result of terminating a lease with LAZ Parking for the 7 Hawley Street parcel, grant income comparable to the prior year, and in-kind revenue.
- Operating expenses at December 31, 2018 were approximately \$64,330, down from \$82,737 at December 31, 2017 as the result of decreasing stadium maintenance costs and professional fees.

**BINGHAMTON URBAN RENEWAL AGENCY  
(A Blended Component Unit of the City of Binghamton, New York)**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2018 and 2017**

---

**1. ORGANIZATION**

The Binghamton Urban Renewal Agency (The Agency) was formed April 29, 1962 to further urban renewal in the City of Binghamton, New York (the City). Through New York State Municipal Law Article 15b, and in accordance with Article 18 of the NYS Constitution, the Agency was formed to promote urban development in specified areas of the City.

The City appoints the voting majority of the Agency's governing body and has the ability to impose its will on the Agency by significantly influencing the programs and projects executed by the Agency. In addition, the Agency provides significant benefit to the City. As such, in accordance with the Governmental Accounting Standards Board (GASB) standards, the Agency is a blended component unit of the City.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The basic financial statements of the Agency have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) for governments as prescribed by the Governmental Accounting Standards Board (GASB), which is the primary standard-setting body for establishing governmental accounting and financial principles.

**Measurement Focus and Basis of Accounting**

The Agency operates as a proprietary fund. Proprietary funds utilize an "economic resources" measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets, deferred outflows of resources, liabilities, and deferred inflows of resources (whether current or noncurrent) associated with their activities are reported. Fund equity is classified as net position.

The Agency utilizes the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred, or an economic asset is used.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

**Income Tax Status**

The Agency was organized as a not-for-profit Agency under Section 501(c)(3) of the Internal Revenue Code.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Land

Land consists of parking lots and vacant properties owned by the Agency. The land is stated at the lower of net realizable value or cost. The Agency reports land with a net realizable value of \$439,432 for the years ending December 31, 2018 and 2017. There were no land additions or disposals during the years ending December 31, 2018 and 2017. The original cost of the property was \$742,922. Land is not depreciated.

### Operating and Non-Operating Revenues and Expenses

As a business-type activity, the Agency distinguishes operating revenues and expenses from non-operating items. Operating revenues are mostly comprised of grant and government subsidy revenue resulting from exchange transactions and in-kind services (provided by the City) associated with the principal activities of the Agency. Operating expenses generally result from the acquisition, demolition and renovation of properties, and general and administrative expenses in accordance with the Agency's mission. There are no non-operating expenses at December 31, 2018 or 2017 and non-operating revenues include interest revenues in the amount of \$20 and \$14 at December 31, 2018 and 2017, respectively.

### Revenue Recognition

Both rental income and grant income are recognized when earned. In the case of grant income, the revenue is considered earned when the Agency receives the funds from the City.

### Net Position

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets - capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. The Agency has \$439,432 net investment in capital assets at December 31, 2018 or 2017.
- b. Restricted net position - net position with constraints placed on their use either by (1) external groups such as creditors or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation. The Agency has restricted net position of \$20,000 at December 31, 2018 and 2017. The Agency is required to maintain a minimum reserve balance of \$20,000 for future capital repairs of the multi-purpose baseball stadium, in accordance with the agreement(s) described in Note 4.
- c. Unrestricted net position - all other net position that does not meet the definition of net investment in capital assets or restricted net position.

It is the Agency's policy to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

### **3. DEPOSITS WITH FINANCIAL INSTITUTIONS AND INVESTMENTS**

The Agency follows an investment and deposit policy, the overall objective of which is to adequately safeguard the principal amount of funds invested or deposited; conform with federal, state and other legal requirements; and provide sufficient liquidity of invested funds in order to meet obligations as they become due. Oversight of investment activity is the responsibility of the County Comptroller.

Monies must be deposited in Federal Deposit Insurance Corporation (FDIC) insured commercial banks or trust companies located within and authorized to do business in New York State (NYS). Collateral is required for deposits and certificates of deposit not covered by FDIC insurance. Obligations that may be pledged as collateral are those identified in NYS General Municipal Law, Section 10 and outlined in the NYS Comptroller's Financial Management Guide.

#### **Interest Rate Risk**

Interest rate risk is the risk that the fair value of investments will be affected by changing interest rates. The Agency has an investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

#### **Credit Risk**

The Agency's policy is to minimize the risk of loss due to failure of an issuer or other counterparty to an investment to fulfill its obligations.

#### **Custodial Credit Risk**

Custodial credit risk is the risk that, in the event of a failure of a depository financial institution, the reporting entity may not recover its deposits. In accordance with the Agency's investment and deposit policy, all deposits of the Agency including certificates of deposit and special time deposits, in excess of the amount insured under the provisions of the Federal Deposit Insurance Act (FDIA) shall be secured by a pledge of securities with an aggregate value equal to the aggregate amount of deposits.

The Agency restricts the securities to the following eligible items:

- Obligations issued, or fully insured or guaranteed as to the payment of principal and interest, by the United States of America, an agency thereof or a United States government sponsored Agency;
- Obligations partially insured or guaranteed by an agency of the United States of America;
- Obligations issued or fully insured or guaranteed by NYS;
- Obligations issued by a municipal City, school district or district City of NYS;
- Obligations issued by states (other than NYS) of the United States of America rated in one of the two highest rating categories by at least one Nationally Recognized Statistical Rating Organization (NRSRO).

The Agency maintained cash balances with a financial institution insured by the FDIC up to \$250,000, for interest bearing and non-interest-bearing accounts. At December 31, 2018 and 2017, the Agency's deposits consisted of \$30,471 and \$25,007 in cash, respectively, and was insured in full by FDIC.

#### **4. MULTI-PURPOSE BASEBALL STADIUM**

In 1991, the Agency (the lessee) signed an agreement with the City (the lessor) for an initial term of 25 years, with a renewal option of an additional 25 years, at the option of the Lessee. As of January 1, 2017, all consideration as part of this agreement has been made.

In 2000 a revised sublease agreement was signed between the lessee and the Binghamton Mets Baseball Club (the sub-lessee) that supersedes an agreement signed between the lessee and Sterling Doubleday Enterprises. The sub-lessee exercised renewal options, most recently on November 12, 2018, that extended the sub-lease agreement for the period of 2022 through 2027. Annual rent to be paid by paid the sub-lessee is \$1.

Commencing on January 1, 2001, the Lessee shall pay the sub-lessee \$50,000 on an annual basis for routine maintenance, cleaning and repair work. The lessee further agrees to maintain a capital repair reserve account with a minimum balance of \$20,000. The lessee is responsible for electricity and natural gas bills, as well as periodic additional invoices for leasehold improvements made by the sub-lessee.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

March 14, 2019

To the Board of Directors of the  
Binghamton Urban Renewal Agency

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Binghamton Urban Renewal Agency (the Agency), as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements, and have issued our report thereon dated March 14, 2019.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

(Continued)

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
