FIRST WARD REDEVELOPMENT PLAN

Completed as part of, and with funding from, the New York State Department of State Brownfield Opportunity Area Program

The City of Binghamton is in the process of completing a Pre-Nomination Study for the New York State Department of State Brownfield Opportunity Area Program. Tonight's meeting will provide an introduction and overview on the Study's development. Most importantly, this meeting will provide an opportunity for members of the public to share their ideas and vision as it relates to the First Ward BOA study area.

Additional public outreach associated with the project is scheduled for October 2009 and February 2010. Please look for additional information about these meetings at these months approach.

Please note, scheduled meetings are not the only avenue available for you to participate. If you would like to learn more about this project or want to share any ideas, please contact Caroline Quidort, Senior Planner for the City of Binghamton. Her contact information is provided below for your convenience:
