Items discussed were:

1. Minutes of the March's meeting were read and approved, motion to accept by Emmons, seconded by McDevitt, passed 5-0
2. Master Electrician "A" Application was reviewed and approved for Mr. Michael Tessitore.
3. Journeyman Application was reviewed and approved for Dalton Smith, Ciara Campagna, and Thomas Briggs.
4. Ken Frank And Raja Sekharan, from legal, were present to discuss the requirements for corporations to pull permits, can a Master Electrician that does not own 25% of the company pull permits for said company. The topic has been tabled until next month's meeting for further discussion.
5. The City of Binghamton received a letter requesting permission to do Third Party Electrical Inspection from Excelsior Electrical Inspection Services. It was discussed that with too many additional Third Party Inspection Services, the city would not be able to maintain the integrity of the City Charter and the NYS Building Codes, due to the fact that the Third Party Electrical Inspection will only be inspecting for the NEC compliance. A motion was made by Schleider and second by McIntosh to Deni the request. The Motion Passed 5-0.

There being no further business before this Board a motion was made by McDevitt, seconded by Emmons to adjourn at 10:32 am, passed 5-0

The next meeting is scheduled for Wednesday May 5, 2021 at 10:00am.

Respectfully Submitted,
