**Highlights:**

- The PHCD Department is currently comprised of 11 staff members across three divisions—Planning (4), Housing (4) and Community Development Administration & Management (3)—and the management division oversees approximately \$5 million in federal and state grants annually to remove blight and enforce code, repair roads, improve parks, assist small businesses and create jobs, carry out planning initiatives, and help new and current homeowners and renters access affordable housing services and resources (summaries of the Planning and Housing Divisions are separately listed elsewhere in this budget).
- PHCD management actively participates in and supports regional collaborations whose work will directly improve the city’s economic, social and environmental health. Collaborations include the Livable Communities Alliance, Broome County Hazard Mitigation Plan Update Steering Committee, Broome County Comprehensive Plan Steering Committee, Broome County Flood Task Force, Southern Tier Economic Regional Councils, Southern Tier East Regional Planning & Development Board, Broome County Homeless Coalition, the Rural Health Network of South Central NY, Binghamton Regional Sustainability Coalition, and the Broome County Aging Futures Partnership.
- PHCD management conducted an ambitious review and overhaul of departmental operations and resource allocation in 2010 and 2011, and will continue to implement innovative reforms that maintain or boost capacity in the face of declining resources, result in more efficient and cost-effective delivery of quality services, and build upon the city’s reputation as a ‘model’ HUD entitlement community.

- Each year, the city is required to submit an Annual Action Plan and annual performance report (C.A.P.E.R) to HUD detailing all activities funded by HOME, ESG and CDBG, and the public can review this document online at the city's website to learn more about how federal investments are put to effective use in revitalizing and strengthening our neighborhoods.
  - The three member Community Development Administration & Management Division is responsible for oversight and management of all federal and state programs and grants, and delivers a wide range of services at an annual cost to local tax payers of approximately \$84,000, while generating approximately \$60,000 in direct revenue to the general fund through interfund transfers and chargebacks, and millions in grant dollars to meet needs in local housing, infrastructure, planning, and economic development that would otherwise go unmet or be charged to local taxpayers.

Each year, HOME injects more than \$350,000 into our local economy, which supports local contractors, improves our housing stock, boosts property values, and expands affordable, equitable housing options for city residents.

**Highlights:**

- The four member Housing Division has creatively leveraged HOME funds over the last four years to secure four state housing grants, totaling \$900,000, which has enabled the division to assist more homeowners with essential repairs that address safety, health, and energy performance issues. Due to recent major cuts to this effective federal program, the division will continue to take an aggressive approach in securing more federal, state, and private resources to maintain and/or expand the number of homeowners assisted under the Single Family Rehab Program.
- The Housing Division plays an instrumental role in the Binghamton Homeownership Academy, a one-stop shop to better connect prospective and current eligible homeowners with housing grants, counseling and services.
