1. Project Address or Intersection: 241 Robinson Street

Applicant: Gerald J. Goff Jr.

Requested Review: Relocate Driveway Curb Cut on the east side of property to the west side.

Gerald J. Goff, 56 Lakeview Terrace, submitted a Traffic Board Application to the Traffic Board for the on August 8, 2021 requesting that a driveway curb cut on the west side of his property, 241 Robinson Street, that he shares with 239 Robinson Street, be reinserted. Mr. Goff stated that the apron was removed during the reconstruction of Robinson Street, when the owners of 239 Robinson Street had that curb cut moved from the east side of their address to the west side of the property. The Traffic Division, upon following up on the request, found that 241 Robinson Street had an existing driveway cut on the east side of that address.

Upon reviewing the request with the planning and engineers' offices, it found that the original driveway cut between those two addresses was for 239 Robinson Street, only. The owner of 239 Robinson Street stated that at some point when 239 was vacant, and before it was purchased at auction, a property line fence was removed and an abutting driveway was installed at 241 Robinson Street. After reviewing the schematics with the Planning Department and Engineers' Office, the Traffic Division recommends that this request be denied.

2. Project Address or Intersection: 3 Lockwood Street traffic review

Applicant: Edward and Robin Miller

Requested Review: Five Ton Weight Limit Street

The Traffic Division received a Traffic Board Application, dated 05/26/21, requesting that signage be posted to prohibit tractor trailers on Lockwood Street. Ms. Miller stated that tractor trailers park on Lockwood Street to make deliveries to businesses on Chenango Street. Upon completion they pull down to the end of Lockwood Street to turn around, but because the road is too narrow to do so, or to take a right turn on to Westview Terrace, they cut across her property.

The Traffic Division upon reviewing the complaint recommends the following:

INSERT: Section 18.1 - Trucks Over five tons prohibited:
Lockwood Street – From Chenango Street to Westview Terrace.
Westview Terrace – From Lockwood Street to Green Street.

Requested Review: Parking Update

The Traffic Board received a request from the Reality Partners, 65 Leroy Street and Kevin Grace, owner of The Beef restaurant, 62 Leroy Street, for the following parking updates to increase on street and handicapped parking spaces in that area.

Upon review, the Traffic Division recommends that the Traffic Code be amended as follows:

DELETE: Section 23- No Parking Anytime

Leroy Street-Both Sides-From St. John Avenue to 50 feet west.

AMEND: Section 25-Fifteen Minute Parking Zone between 8:00 AM and 11:00 PM

Leroy Street-South Side-from 30 feet east of Chestnut Street to 50 feet west of St. John Avenue.
