Date: October 6, 2022

This Notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The City of Binghamton City Council as lead agency has determined that the proposed action described below will not have a significant effect on the environment and a Draft Environmental Impact Statement will not be prepared.

Name of Action: Amendment to the zoning ordinance to include definitions for cannabis-related businesses, and to allow said businesses in certain zoning districts..

SEQR Status: Type 1
 Unlisted

Conditioned Negative Declaration: Yes
 No

Description of Action:

The City of Binghamton wishes to amend Ch. 410 Zoning of the Code of Ordinances to amend the zoning ordinance to include definitions for cannabis-related businesses, and to allow said businesses in certain zoning districts. The different business types are based on the license types issued by the NYS Office of Cannabis Management. Industrial Cannabis Businesses would be permitted in industrial zoning districts, Retail Cannabis Businesses would be permitted in certain commercial districts, and On-Site Consumption Cannabis Businesses would be permitted in certain commercial districts.

Location: City of Binghamton, Broome County, New York

Reasons Supporting This Determination:

The proposed amendment does not conflict with the comprehensive plan and conforms to state regulations regarding adult-use cannabis. In addition, the proposed change was reviewed by the City Planning Commission, which recommended approval of the amendment with no changes. Therefore, City Council, acting as the lead agency, has found that the proposed amendment will not have an adverse impact on the environment.

The lead agency has reviewed an Environmental Assessment Form and the criteria contained in 6 NYCRR 617.7 (c) to identify the relevant areas of environmental concern, thoroughly analyzed the identified relevant areas of environmental concern, and determined that the action will not have a significant adverse impact on the environment for the following reasons:

- The proposed action does not involve construction on, or physical alteration of, land
- The proposed action will not affect any unique or unusual land forms
- The proposed action will not affect one or more wetlands or other surface waterbodies (
- The proposed action will not result in new or additional use of ground water, or have the potential to introduce contaminants to ground water or an aquifer.
- The proposed action will not result in development on lands subject to flooding.
- The proposed action will not include a state regulated air emission source.
- The proposed action will not result in a loss of flora or fauna.

- The proposed action will not impact agricultural resources.
- The proposed action will not impact a scenic or aesthetic resource.
- The proposed action will not affect a historic or archaeological resource.
- The proposed action will not result in a loss of recreational land or open space resources as designated in any adopted municipal open space plan.
- The proposed action will not be located within or adjacent to a CEA.
- The proposed action will not result in a change to existing transportation systems.
- The proposed action will not result in an increase in the use of any form of energy.
- The proposed action will not result in a substantial increase in noise, odors, or outdoor lighting.
- The proposed action will not result in a significant impact on human health from exposure to new or existing sources of contaminants.
- The proposed action is consistent with adopted land use plans.
- The proposed action is consistent with the existing community character.

State Environmental Quality Review
NEGATIVE DECLARATION
Notice of Determination of Non-Significance

Project Number: None

Date: October 6, 2022

This Notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The City of Binghamton City Council as lead agency has determined that the proposed action described below will not have a significant effect on the environment and a Draft Environmental Impact Statement will not be prepared.

Name of Action: Amendment to the zoning ordinance to address student housing and amendment to the Official Zoning Map to rezone various lots from R-2 One- and Two-Unit Dwelling District and R-1 One-Unit Dwelling District to R-3 Residential Multi Unit Dwelling District.

SEQR Status: Type 1
 Unlisted

Conditioned Negative Declaration: Yes
 No

Description of Action:

The City of Binghamton wishes to amend Ch. 410 Zoning of the Code of Ordinances and the Official Zoning Map of the City of Binghamton to address student housing. The amendment to the zoning ordinance includes a change to the definition of “family” to exclude groups of 4 or more unrelated students, as well as a change to the definition of and regulations pertaining to Congregate Living. The area to be rezoned to R-3 is bound by Seminary Ave to the north, Ayres St to the south, Oak St to the east, and Chestnut St to the west. The area to be rezoned to R-1 is between Ayres St and Riverside Dr.

Location: City of Binghamton, Broome County, New York

Reasons Supporting This Determination:

The proposed amendment to the Zoning Map to rezone the above defined area is consistent with the existing uses on those lots, as well as with the general character of the surrounding area, where student rentals are the predominant residential type. The zoning change is supported by the City’s Comprehensive Plan and, as such, has been determined to be a reasonable and logical change. In addition, the proposed change was reviewed by the City Planning Commission, which recommended approval of the amendment to the Zoning Map with no changes, and to the amendment to the Zoning Ordinance with one change regarding parking requirements. Therefore, City Council, acting as the lead agency, has found that the proposed rezoning will not have an adverse impact on the environment.

The lead agency has reviewed an Environmental Assessment Form and the criteria contained in 6 NYCRR 617.7 (c) to identify the relevant areas of environmental concern, thoroughly analyzed the identified relevant areas of environmental concern, and determined that the action will not have a significant adverse impact on the environment for the following reasons:

The proposed amendments are consistent with the City’s Comprehensive Plan

The proposed amendments will not result in a significant change in the use or intensity of use of land.

The proposed amendments will not impair the character or quality of the existing community. The change will be consistent with existing neighborhood character.

The proposed amendments will not have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA).

The proposed amendments will not result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway.

The proposed amendments will not cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities.

The proposed amendments will not impact existing:

- A. public / private water supplies.
- B. public / private wastewater treatment utilities.

The proposed amendments will not impair the character or quality of important historic, archaeological, architectural or aesthetic resources.

The proposed amendments will not result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna).

The proposed amendments will not result in an increase in the potential for erosion, flooding or drainage Problems.

The proposed amendments will not create a hazard to environmental resources or human health.

ORDINANCE

entitled

**AN ORDINANCE TO AMEND THE OFFICIAL
ZONING MAP OF THE CITY OF BINGHAMTON
TO REZONE 187 CLINTON STREET**

WHEREAS, the Planning, Zoning & Historic Preservation Department recommended an amendment to the Code of the City of Binghamton, Chapter 410, *Zoning*, to amend the Official Zoning Map of the City of Binghamton to rezone 187 Clinton Street, Tax Parcel No. 160.22-1-2, from I-2 Light & Medium Industrial to C-4 Neighborhood Commercial; and

WHEREAS, on September 12, 2022, the Planning Commission considered the proposed rezoning, and as a result, recommended the approval of the proposed rezoning as it did not conflict with the comprehensive plan, was reasonable given the predominance of mixed-use buildings along Clinton Street, and would be beneficial to the City given the need for housing; and

WHEREAS, on October 6, 2022 City Council held a public hearing regarding the proposed zoning amendments.

NOW, THEREFORE, the Council of the City of Binghamton, duly convened in regular session, does hereby ordain as follows:

Section 1. That the City of Binghamton Planning Department is hereby directed to amend the Official Zoning Map of the City of Binghamton to rezone 187 Clinton Street, Tax Parcel No. 160.22-1-2, from I-2 Light & Medium Industrial to C-4 Neighborhood Commercial.

NEGATIVE DECLARATION
Notice of Determination of Non-Significance

Project Number: None

Date:

This Notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The City of Binghamton City Council as lead agency has determined that the proposed action described below will not have a significant effect on the environment and a Draft Environmental Impact Statement will not be prepared.

Name of Action: Amendment to the Official Zoning Map to rezone 187 Clinton Street from I-2 Light & Medium Industrial to C-4 Neighborhood Commercial.

SEQR Status: Type 1
 Unlisted

Conditioned Negative Declaration: Yes
 No

Description of Action:

The City wishes to amend the Official Zoning Map of the City of Binghamton to rezone 187 Clinton Street, Tax Parcel No. 160.22-1-2 from I-2 Light & Medium Industrial to C-4 Neighborhood Commercial to allow dwelling units to be included in any future development.

Location: City of Binghamton, Broome County, New York

Reasons Supporting This Determination:

The proposed amendment to the Zoning Map to move one lot from an industrial district to the adjacent commercial district is consistent with the existing uses and character of the adjacent commercial corridor on Clinton St. The zoning change is supported by the City's Comprehensive Plan and, as such, has been determined to be a sensible and beneficial change. In addition, the proposed change was reviewed by the City Planning Commission, which recommended approval of the rezoning. Therefore, City Council, acting as the lead agency, has found that the proposed rezoning will not have an adverse impact on the environment.

The lead agency has reviewed an Environmental Assessment Form and the criteria contained in 6 NYCRR 617.7 (c) to identify the relevant areas of environmental concern, thoroughly analyzed the identified relevant areas of environmental concern, and determined that the action will not have a significant adverse impact on the environment for the following reasons:

The proposed rezoning is consistent with the City's Comprehensive Plan

The proposed rezoning will not result in a significant change in the use or intensity of use of land. It will allow mixed-use development, which is a less intensive use than the previous heavy industrial facility located on the site.

The proposed rezoning will not impair the character or quality of the existing community. The subject area will be annexed to the adjacent commercial zoning district, which is one of the City's principal commercial corridors.

The proposed rezoning will not have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA).

The proposed rezoning will not result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway.

The proposed rezoning will not cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities.

The proposed rezoning will not impact existing:

- A. public / private water supplies.
- B. public / private wastewater treatment utilities.

The proposed rezoning will not impair the character or quality of important historic, archaeological, architectural or aesthetic resources.

The proposed rezoning will not result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna).

The proposed rezoning will not result in an increase in the potential for erosion, flooding or drainage Problems.

The proposed rezoning will not create a hazard to environmental resources or human health.
