**State Environmental Quality Review**  
**NEGATIVE DECLARATION**  
**Notice of Determination of Non-Significance**

**Project Number:** None

**Date:** October 6, 2022

This Notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The City of Binghamton City Council as lead agency has determined that the proposed action described below will not have a significant effect on the environment and a Draft Environmental Impact Statement will not be prepared.

**Name of Action:** Amendment to the zoning ordinance to include definitions for cannabis-related businesses, and to allow said businesses in certain zoning districts..

**SEQR Status:**       Type 1         
                          Unlisted     

**Conditioned Negative Declaration:**    Yes     
  No   

**Description of Action:**

The City of Binghamton wishes to amend Ch. 410 Zoning of the Code of Ordinances to amend the zoning ordinance to include definitions for cannabis-related businesses, and to allow said businesses in certain zoning districts. The different business types are based on the license types issued by the NYS Office of Cannabis Management. Industrial Cannabis Businesses would be permitted in industrial zoning districts, Retail Cannabis Businesses would be permitted in certain commercial districts, and On-Site Consumption Cannabis Businesses would be permitted in certain commercial districts.

**Location:** City of Binghamton, Broome County, New York

**Reasons Supporting This Determination:**

The proposed amendment does not conflict with the comprehensive plan and conforms to state regulations regarding adult-use cannabis. In addition, the proposed change was reviewed by the City Planning Commission, which recommended approval of the amendment with no changes. Therefore, City Council, acting as the lead agency, has found that the proposed amendment will not have an adverse impact on the environment.

The lead agency has reviewed an Environmental Assessment Form and the criteria contained in 6 NYCRR 617.7 (c) to identify the relevant areas of environmental concern, thoroughly analyzed the identified relevant areas of environmental concern, and determined that the action will not have a significant adverse impact on the environment for the following reasons:

- The proposed action does not involve construction on, or physical alteration of, land
- The proposed action will not affect any unique or unusual land forms
- The proposed action will not affect one or more wetlands or other surface waterbodies (
- The proposed action will not result in new or additional use of ground water, or have the potential to introduce contaminants to ground water or an aquifer.
- The proposed action will not result in development on lands subject to flooding.
- The proposed action will not include a state regulated air emission source.
- The proposed action will not result in a loss of flora or fauna.

- The proposed action will not impact agricultural resources.
- The proposed action will not impact a scenic or aesthetic resource.
- The proposed action will not affect a historic or archaeological resource.
- The proposed action will not result in a loss of recreational land or open space resources as designated in any adopted municipal open space plan.
- The proposed action will not be located within or adjacent to a CEA.
- The proposed action will not result in a change to existing transportation systems.
- The proposed action will not result in an increase in the use of any form of energy.
- The proposed action will not result in a substantial increase in noise, odors, or outdoor lighting.
- The proposed action will not result in a significant impact on human health from exposure to new or existing sources of contaminants.
- The proposed action is consistent with adopted land use plans.
- The proposed action is consistent with the existing community character.
