**State Environmental Quality Review Act**  
**NEGATIVE DECLARATION**  
**Notice of Determination of Non-Significance**

**Project Number:** None

**Date:** July 12, 2023

This Notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The City of Binghamton City Council as lead agency has determined that the proposed action described below will not have a significant effect on the environment and a Draft Environmental Impact Statement will not be prepared.

**Name of Action:** Sale of City-owned real property at 76 Glenwood Ave.

**SEQRA Status:** Type 1   
Unlisted

**Conditioned Negative Declaration:** Yes   
No

**Description of Action:**

Sale of 76 Glenwood Avenue for use as residential green space.

**Location:** 76 Glenwood Ave, Binghamton, Broome County, New York

**Reasons Supporting This Determination:**

The proposed action is the sale of vacant real property to a private entity for use as residential green space.

The lead agency has reviewed an Environmental Assessment Form and the criteria contained in 6 NYCRR 617.7 (c) to identify the relevant areas of environmental concern, thoroughly analyzed the identified relevant areas of environmental concern, and determined that the action will not have a significant adverse impact on the environment for the following reasons:

- The proposed action will not conflict with an adopted land use plan or zoning regulations, nor result in a change in land use.
- The proposed action will not impair the character or quality of the existing community.
- The proposed action will not have an impact on a Critical Environmental Area.
- The proposed action will not impact traffic or infrastructure, energy use, or water and sewer infrastructure.
- The proposed action will not negatively impact important historic resources, and the site was found to have no historical significance by the Commission on Architecture & Urban Design.
- The proposed action will not result in an adverse impact to natural resources, erosion and flooding, or human health.
